

PARTHA GOUDU

PROFILE

Hello Sir/Mam, I am Partha Goudu, a college student of science branch. I have computer science, is my complementary subject with high grade of 93%. Being an amateur I have been searching for a trustworthy online site to start my work. I have mastery over MS Word, MS Excel, MS Power point and many more and have also completed my additional learning with online platform. I have also vast knowledge of Python Programming, data analysis, file handling, sorting, database concepts, networking and more. I have a speed and accurate typing skills without errors. In today's modern world, Speed and accuracy has more value than Slow and steady. I am very punctual at my work and would submit my tasks on time. You can hire me without any queries. I promise you to give a prospective beginning with my work which will be beneficial for my cooperators. Now the decision is all in your hand. Thank you very much. Your quick reply will be appreciated.

Yours sincerely

Partha Goudu
